In order for our program to succeed, we need lots of volunteers throughout the year. Please check the area(s) in which you would be willing to serve:

_____ **Teachers.** Because we have a rotational system, teachers prepare only one lesson per five-week unit, which they adjust each week for a different age group. There is one teacher for each station: art, storytelling, music, science, games, and cooking.

_____ **Shepherds.** Whereas teachers see a new group each week, shepherds stay with their group throughout the entire unit.

_____ **Goals teachers.** Each grade level has a list of age-appropriate facts, concepts, songs, etc., that students are expected to learn as a foundation for faith. Goals are taught following junior worship, which is held approximately every six weeks.

_____ **Substitutes.** These volunteers fill in for teachers and shepherds when they have to miss a week.

_____ **Assist with junior worship.** The special service is held about six times a year for children in third grade and younger.

_____ **Assist with special activities.** These activities are held at different times throughout the year. Please circle your interest:

- Christmas pageant
- Other activity

Please contact Danielle Tusch, Sunday School Coordinator, with any questions or concerns: Danielle.tusch@gmail.com or 203-913-5471. Please give completed registration forms to an usher or place in the Sunday School Coordinator's slot in the church office.
