May 1, 2021

The good news: People are getting vaccinated (in Monroe, 57% as of 4/18/21) and everyone 16 and older is eligible to receive a vaccine. Testing is readily available, which allows people to isolate quickly if symptomatic and lessen the spread. Herd Immunity, per the CDC, should kick in soon when the vaccination rate reaches 70%, which is why the state is beginning to open up. The Governor announced on 4/19 that all business restrictions regarding capacity and social distancing will be lifted on May 19 (with the exception of wearing a mask indoors). All of these positive signs are cause for gratitude and celebration.

However... There is news of variants, and while a vaccine may keep the worst COVID symptoms at bay, it is unclear when we will be completely out of the woods. With that in mind, I have spoken with church leaders about proceeding through the spring and summer slowly and with caution.

Our re-opening plan may be more cautious than other business or civic entities, because we are a church. The things churches regularly did together before the pandemic were found by the scientific community to put us at greater risk, such as pot lucks, singing, and lots of hugging of those outside your household. *You don't go and sing 4 verses of "Amazing Grace" with a crowd in Big Y and sit next to them for an hour.*

Simply put, our sector has some unique challenges to work out that keep us safe.

Until further notice, masks will remain mandatory inside all public MCC buildings, per order of the Governor of CT.

Here are some other areas of the church and what may (or may not) be changing, unless the numbers require us to pivot again:

Worship: We will continue to operate as a hybrid worship community, with some connecting online over Facebook and YouTube and others safely in person. Services will

remain at 35-40 minutes. We plan to re-open closed pews beginning Sunday, May 16th (Youth Sunday)

We will continue to be as non-physical contact as possible, so please continue to elbow bump or give a peace sign to your neighbor. We will continue to leave windows open for best airflow. We will continue to refrain from singing together for the time being.

The American Choral Directors Association has many helpful links here:
<https://acda.org/resources-for-choral-professionals-during-a-pandemic/>

It's also very important to maintain your financial giving if you are able, by giving in the offering plate at the door or making a regular donation online so that we can meet our bills and our commitment to the community.

Pastoral Vistation: I've reconfigured my office space to include a conference room, so I'm able to safely meet and social distance with folks. Since I am fully vaccinated, I can visit people in their homes who are also vaccinated. Hospitals and nursing homes have varying and changing requirements about local clergy visits, but if you or a loved one are admitted please let me know so that I can reach out to you and add you to my prayers.

Church Office Hours: Beginning Monday, April 26th our administrator Diane re-opened the office. All staff have been vaccinated. Hours are Mondays and Wednesdays from 9-5:30, and Fridays 9-5, others by appointment. It's a joy to be able to welcome you back!

Meetings: Let's keep most on Zoom, at the discretion of the group's leader.

Fellowship: We are offering in-person fellowship following worship on Pierce Lawn. We have suspended the Zoom coffee hour. For now, we are unable to share food in a traditional potluck style, however, we can enjoy together individually pre-packaged refreshments, tea and coffee. Join us for a special Mother's Day Tea on May 8th!

Christian Education: We are offering Outdoor Sunday School for school aged children during worship on the following Sundays – April 25th (Planting Seeds), May 16th (Communion) and June 13th (Service). We are planning to offer a more consistent weekly in-person Sunday School beginning in the fall.

Building Use: Smaller rooms in Rexford are now available for rental and program use.

Youth Groups: Junior and Senior PF have been operating in-person following guidelines similar to sports and school systems and will continue to do. A mission trip to Maine is being planned for July 10-18, 2021. Join us for Youth Sunday in worship on May 16th!

Strawberry Festival: John, Clark, Frank and I are continuing our work to make this year's re-opener event fun, safe and compliant with current health guidelines. Please continue to be patient, our festival is the first in the town and we want to do it safely. Thanks for understanding and stay tuned!

Finally, I want to commend you ALL for your willingness to adapt and pivot, to find new ways to reach out and think of others before yourselves. This time has been challenging, but our church continues to serve as a beacon of love and light, and for that, I am truly grateful.

In peace, Pastor Jenn

2021 Capital Campaign – Painting Rexford House

Dear MCC members and friends,

Our historic MCC campus includes four buildings that require ongoing upkeep and painting every 5 – 10 years. If you have been to the campus lately, you may have noticed that Rexford House is in dire need of a paint job, with the paint peeling and chipping in several areas.

The estimated cost to paint Rexford House is \$9,000, and we are hoping to have the painting completed in the Fall. Since we have been drawing on the church's endowment to support our operating budget each year, the board of trustees would like to enlist the congregation's support for the Rexford painting project.

So we are launching a capital campaign this year, with the goal of raising the \$9,000 needed to complete the painting. If we can raise the funds by the end of June, we should be able to get the project completed in the Fall as planned.

If you would like to support this campaign, please fill in the form below indicating the level of financial support you can provide for this capital project. Please consider this project and let us know if you can provide financial support by mailing this form back to the church office or by notifying John O'Rourke, the MCC Receiver at jorourke224@gmail.com.

Thanks for your consideration – The MCC Board of Trustees

Dear MCC members and friends,

Our church's beloved music director of fifteen years, Will Duchon, has decided to conclude his ministry among us by the end of 2021. In a letter he addressed to me and the deacons, Will spoke of his decision this way:

"After much thought and consideration, I have decided to leave my position as music director for MCC. I feel that it is time for me to leave my comfort zone, so to speak, and find other ways to serve as best I can. I also believe that the choir and music ministry at MCC is ready for new ideas and new energy, and I do not want to be in the way of this happening. My intention is to continue as music director through December of this year, if that is acceptable to the church. This would allow ample time to secure the next music director.

MCC has been a source of friendship, deep community and stability for me since starting my work here in 2006. I will always be grateful for this opportunity. I am also grateful for the wonderful fellowship I've enjoyed with the choir, of course, and the many deeply satisfying moments I've experienced in the music ministry here. I am hoping to continue to be a part of the MCC family following a suitable period of time in order to allow the next music director to establish herself/himself."

I am deeply grateful for all that Will has done during his time with us and I will miss his artisanship and collegiality tremendously. I will remember with fondness his "Music Notes" written to gladden our spirits. My hope is that this change brings him the gift of time and energy for his newly formed non-profit, Opus30 Justice. I know that you will join me in wishing him the very best in this new chapter.

We will find ways to honor and celebrate Will's time with us, but in the meantime, I hope that you will join me in affirming his decision and wishing him the very best. Thank you, as always, for your understanding and support.

In peace, Pastor Jenn

Outreach

Many thanks to those who made Morning Circle's April service project of putting together **Church World Service hygiene kits** a success. We had \$60 of monetary donations that covered the cost of shipping and numerous items that allowed us to make 29 kits. We greatly appreciate everyone's time, kindness and generosity in providing aid to families far and wide during times of disaster and strife.

The ladies of the congregation are invited to **Morning Circle's next meeting on Wednesday, May 12 at 11AM in Wilton Hall**. We will be collecting women's products for the Food Pantry. Items include: shampoo, conditioner, nail clippers, nail files, deodorant, tampons, panty liners, sanitary napkins and anything that you can think of. At this time, please do not bring any food items for lunch while we have a short business meeting. Our guest is Linda Resnick who will be showing us exercises to keep our bodies fit. Please contact Jackie Bleakney at 203-268-5275 with any questions or comments.

Our April Sunday School was so much fun! The rain didn't dampen the spirits of these wonderful helpers! We listened to a story about planting a seed and letting it grow and then we planted seeds for green beans and cucumbers. We had so much fun, and we have more to plant so we are going to meet again next Sunday! The kids are excited to check on the progress of the seeds over the next couple of weeks and watch the Giving Garden fill with wonderful veggies!

Join us again on May 16th to learn about COMMUNION!

The Clockmaker's Daughter by Kate Morton
The Four Winds by Kristin Hannah

Now that the CDC has given the green light to small, maskless, outdoor gatherings of fully vaccinated people—and the warming weather has us all itching to spend more time outside—I think it's time to leave Zoom behind and gather in person. **This Sunday's weather looks very promising, so let's gather behind Wilton Hall on Sunday from 5:00 to 6:30.** I think our agenda should be to enjoy each other's company, so think of this as a cocktail party but without the cocktails and fancy attire. Bring your own chair, snacks, and drinks, and let's take advantage of this significant loosening of

restrictions. If you are not fully vaccinated yet, you are still welcome. In that case, the CDC recommends that you keep your mask on and keep 6 feet from others.

I look forward to seeing many of your smiling faces on Sunday! –Don Parker-Burgard

The Mustard Seed Thrift Shoppe is open Fridays 10-3 and Saturday 10-2!

We are also accepting gently used clothing, shoes, handbags, books, jewelry and household items (smaller than a breadbox) from church members. To volunteer as a sorter or a cashier, please contact Susie Cuseo at thecuseos@yahoo.com. Thank you for your support!
